DETAILED ACTION

Allowable Subject Matter

1. Claims 7-12 are allowed.
2. The following is the examiner's statement of reasons for allowance: the prior art of record solely or in combination failed to teach the invention as claimed. For instance the prior art Shear et al nor Ogawa et al disclosed a method of selecting a message transformation "by examining values of data in the message fields of the representative sample of messages in an input message format and values of data in the message fields of the representative samples of messages for the plurality of output message format."

Any comments considered necessary by applicant must be submitted no later than the payment of issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "comments on statement of Reasons for Allowance."

Conclusion
